For Every Member

SARS-CoV-2 Virus Screenings are sharable in the absence of COVID-19 Symptoms
Includes up to four (4) tests per member per program year, not to exceed \$150 per test.**

**Because it is otherwise available at no cost, diagnostic testing for Members who have COVID-19 symptoms is not eligible for sharing. Under the Families First Coronavirus Response Act passed on March 18, 2020, and the Coronavirus Aid, Relief, and Economic Security Act passed on March 27, 2020, diagnostic COVID-19 testing for symptomatic individuals without insurance is available at no cost through the COVID-19 Claims Reimbursement to Health Care Providers and Facilities for Testing and Treatment of the Uninsured Program. For information about free testing and health center testing locations, visit: www.hhs.gov/coronavirus/community-based-testing-sites/index.html

*Waiting Periods & Annual Sharing Limits

*New Member Waiting Periods

Preventive care services are available for sharing after a 30-day waiting period for new members with UHS Standard Programs, except for those who have chosen the Annual Co-Share Maximum (ACSM) option. For those new members, the waiting period is 90 days. (There is no waiting period for UHS SmartShare.)

*Annual Sharing Limits for All Members

Preventive Care Services are sharable for up to \$500 per member, per year for members with UHS Standard Programs, and for up to \$1,000 per member, per year, for members with the ACSM option. There is no limit specific to Preventive Care Services for members with UHS SmartShare.
